

**LONG LAKE CENTRAL SCHOOL
CAFETERIA CHARGE POLICY**

Students

Charging a meal is a courtesy we extend to our students only in the event they forget or lose their lunch money.

1. Students may have up to 3 outstanding lunch charges and/or 3 outstanding breakfast charges.
2. The only thing permitted to be charged is a complete meal (breakfast or lunch). Ice cream may not be charged.
3. The business office will track all charges and payments.
4. A student who has 3 or more unpaid lunch charges or 3 or more unpaid breakfast charges will be offered an alternative lunch/breakfast until outstanding charges are paid in full.
5. Beyond 3 outstanding lunch and/or breakfast charges the parent must send a lunch or lunch money with the child until the charges are paid. If a child brings no lunch/breakfast or lunch money, we will offer an alternative meal only. This alternative meal will be charged to your account.
6. The alternative meal for lunch will consist of (1) Peanut butter & Jelly sandwich, (1) milk, and a choice of (1) vegetable or (1) fruit. An alternative meal for breakfast will consist of (1) milk, (1) box cereal, and (1) fruit.
7. If a student refuses an alternative lunch or breakfast and continues to come to school without a lunch or breakfast, Social Services may be contacted.
8. A Prepayment plan is allowed.

Adults

1. Pay as you go, with no charges, or prepaid meals allowed.
